AP course curriculum is coordinated in conjunction with The College Boards. Each year, an audit is submitted as part of the process.

Advanced Placement Studio Art Grades 11-12 5 credits/full year

PREREQUISITE:
Honors Studio Art ***and*** all
AP criteria (pg. 11)

The Advanced Placement Studio Art course enables highly motivated students to pursue college-level work in studio art while still in high school. Scores for AP Studio Art are not based on a written examination. Instead, candidates submit a portfolio of work for evaluation at the end of the school year. The guidelines for the AP Studio Art portfolios have been designed to accommodate a variety of interests and approaches to art. The three skills in the course are:

- Inquiry and Investigation—investigate materials, processes and ideas.
- Making Through Practice, Experimentation, and Revision—Make works of art and design by practicing experimenting and revising.
- Communication and Reflection—Communicate ideas about art and design.

Advanced Placement 3D Grades 11-12 5 credits/full year

PREREQUISITE:
Advanced Ceramics and/
or Advanced World Crafts
and AP criteria (pg. 11)

In the Advanced Placement 3D art course, students explore three dimensional physical space and materials while working on self-generated individual projects at the college-level. Scores for AP 3D are not based on a written examination. Instead, candidates submit a portfolio of work for evaluation at the end of the school year. The guidelines for the AP 3D portfolio have been designed to accommodate a variety of interests and approaches to 3-dimensional art. The three skills explored in the course are:

- Inquiry and Investigation—investigate materials, processes and ideas.
- Making Through Practice, Experimentation, and Revision—Make works of art and design by practicing experimenting and revising.
- Communication and Reflection—Communicate ideas about art and design.
