Dear Ms. Ross, Staff and Students:

Thank you for your support of Make-A-Wish® New Jersey with your gift of \$1,041.06, proceeds from the River Dell Middle School "movie night" fundraiser, received on 7/15/2013. Your generosity will help children in the Garden State with life-threatening medical conditions experience the life-changing power of a wish.

Children come to Make-A-Wish during what is perhaps one of the most frightening times in their lives. It's a time when playing, learning, and laughing is all too often replaced with uncertainty, hospital visits, and medical treatments. With one question – "If you could have one wish, what would it be?" – we reveal the imaginative possibilities of a wish and empower children to once again imagine and believe. The wish granting process creates magical moments and memories that the children and their families can cherish. Ultimately, a wish come true restores hope, renews strength and returns the joys of childhood.

That's why your gift is so important.

With support from friends like you we have granted the fondest wishes of more than 7,500 children in New Jersey over the last 30 years. We rely on this generosity as we work to grant more wishes with the goal of reaching every medically eligible child in the Garden State.

With deepest gratitude,

Todd Shellenberger  
Vice President for Development

Thank you Ms. Ross, staff &  
Students!!
