

Check Your NoodleTools NoteCards

Check off if you did the following

- NoteCard is linked** to the appropriate source from my Works Cited list
- NoteCard is titled** with the main idea of the passage from the article
- DIRECT QUOTATION box** – excerpt from the article is marked up with highlighter, underlining, color, etc., to pull the main ideas out visually
- PARAPHRASE box**
 - paraphrase is at least half the length of the material in the Direct Quotation box
 - paraphrase is marked up with highlighter, underlining, color, etc., to pull out important ideas visually
- MY IDEAS box**

Answers most or all of the following questions:

 - Why is this material important?
 - Why did I select this excerpt to take notes on?
 - What do I think about this?
 - Does this article connect to ideas I've found in other articles? Is it contrary to other articles I'm using?
 - How will I use this in my essay?
 - Do I still have questions?
