

How-To:

Cite an article from GALE eBooks

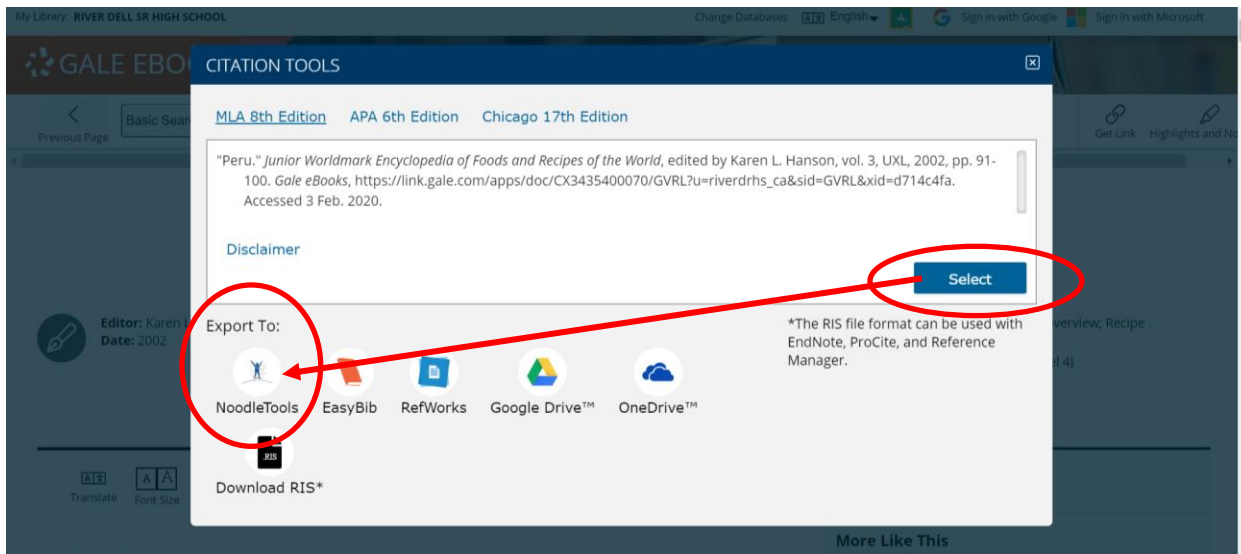

Gale has become the easiest citation you'll ever do. Follow these simple directions.

1. Click on the "Cite" link above the article:

The screenshot shows the Gale eBooks interface for an article titled "Peru". The article is edited by Karen L. Hanson and published in 2002. It is from the "Junior Worldmark Encyclopedia of Foods and Recipes of the World (Vol. 3.)" by Gale. The document type is "Culture overview; Recipe", it has 10 pages, a content level of (Level 4), and a Lexile Measure of 1250L. The "Cite" button in the top navigation bar is circled in red, with a red arrow pointing to it from the instruction above.

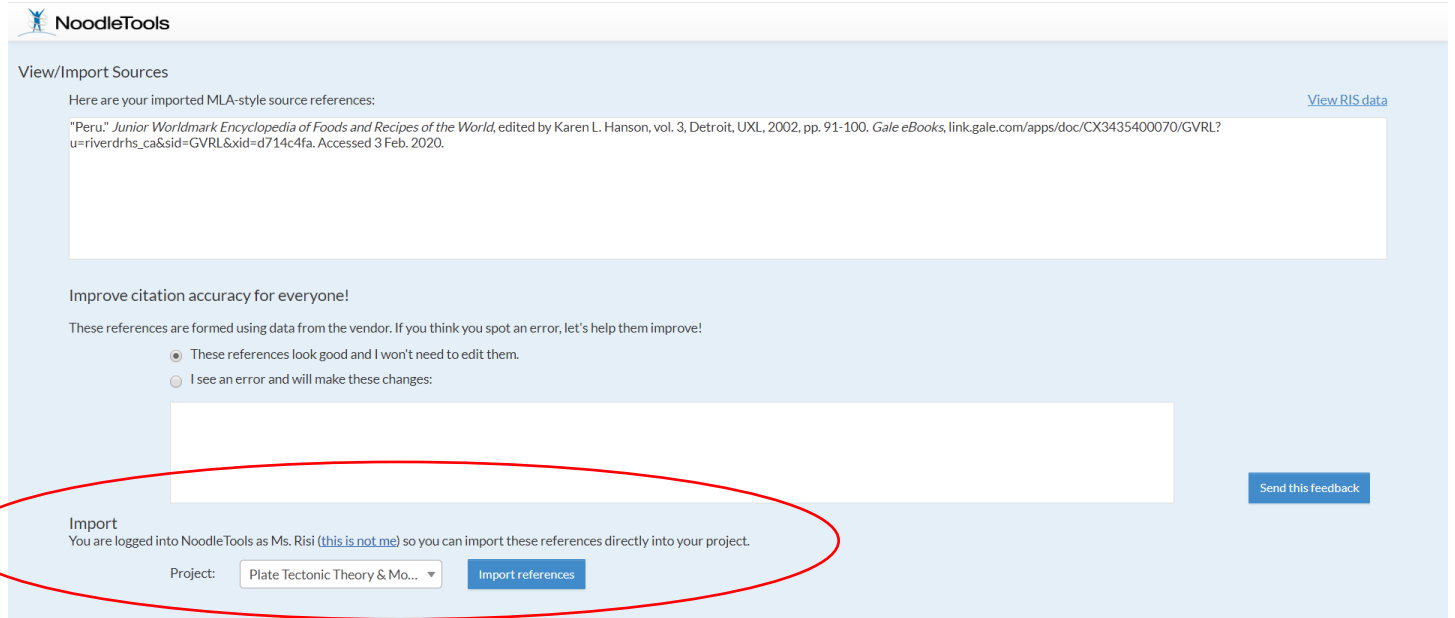

2. Select the citation and then click on the NoodleTools icon to export the citation:

The screenshot shows the "CITATION TOOLS" interface. The citation text is: "Peru." *Junior Worldmark Encyclopedia of Foods and Recipes of the World*, edited by Karen L.
