

# HOW-TO:

## Cite a Newspaper article from the Newsela website

- Here are the elements you need to pick out to do this citation:

The image shows a screenshot of a Newsela article page. Red arrows point from labels to specific elements on the page:

- URL:** Points to the address bar showing <https://newsela.com/articles/school-garden/id/13208/>.
- Website name:** Points to the "NEWSELA" logo in the blue header.
- Date of publication:** Points to the date "12.03.15" below the byline.
- Article title:** Points to the main headline "School garden helps improve student health – and grades".
- Name of newspaper:** Points to the byline "By Associated Press, adapted by Newsela staff".

The article content includes:

**School garden helps improve student health – and grades**

By Associated Press, adapted by Newsela staff  
12.03.15

Grade Level 8  
Word Count 530
