

## IXL Reports for Families

- Explore IXL family reports, which offer complete information on your child's progress and improvement.
- Get the big picture or dig into the details with our winning combination of interactive data, powerful analytics, and easy-to-read graphs.
- Monitor computer time and keep children on task with your complete parent dashboard; your reports will automatically update with real-time data!

1. Check your profile settings to ensure that you receive IXL's weekly updates on your child's scores and accomplishments.

The image shows a screenshot of the IXL website's 'Profile and settings' window. The window is titled 'Profile and settings' and has a 'Help | Close' link in the top right corner. Below the title is a section 'Manage your profiles and settings' with instructions: 'Use this form to enter your children's names, to choose icons for them, to maintain your family's membership information, and to define settings that customize your IXL experience. Use the scroll bar at the right to see more. When you are finished, click Submit.' Below this is a section 'Membership information' with a table of fields:
